LABEL: FLORAL EGG CRAB, LITERALLY "SMOOTH MANJUU CRAB" IN JAPANESE.
SEE, LOOK.
WHAT DOES TOUCHING IT FEEL LIKE?
I WONDER IF IT TASTES GOOD?
DON'T ASK ME.
THE TEACHER'S CALLING FOR YOU.
LOOKIN' AT THE FORMALIN SPECIMENS AGAIN, HUH.
IT BOTHERED ME SO I'M INVESTIGATING.
ALL THE JARS EXCEPT THIS ONE CONTAIN SPECIMENS.
She was a weird person.
...
Deor Warabo,
Congrats, but that crab looks poisonous so I don't think you should try eating it.
